Subject: CQ FQP - Recruiting Mobiles!

Hello FQP fans,

The 20th anniversary Florida QSO Party is coming up soon April 29-30 and we are actively recruiting new and returning mobile ops/stations to maximize the fun for operators in and beyond Florida.

Going mobile during FQP is a contester's dream- deep pile ups with YOU as the 'rare one' for each new county change, road rally-like route planning and driving all over our sunshine state and a chance to give the other participants new FL Counties and a possible sweep! Plus mobile ops report many fun and often strange stories from the road including flying boxes, stinky stops, #19, multi-mobile stations, Wiley E. Coyote ingenious antennas and other contraptions, steering wheel keyboards, dinners with tall tales from the road and more.

We hope you, and perhaps a buddy or two, will consider going mobile for FQP 2017.

Make this the year that you hit the road for FQP!

Vy 73/OJ,
Chris, NX4N
