

Good Morning, and Happy New Year!

Attached is the January 2015 Newsletter for your reading enjoyment. PLEASE DISTRIBUTE THIS TO YOUR GROUPS, CLUBS, ASSOCIATIONS, AND SOCIETIES AS WIDELY AS POSSIBLE.

It is also available on the NFL Section Web Page at <http://arrl-nfl.org/> - please pass that link around too!

Thank you for all of your work and efforts in the past year; I am happy to see our local groups working together and sharing resources.

Congratulations to **Lou Mecseri KE1F in Palm Coast** for winning the Newsletter Naming Contest.

Congratulations to **West Central Florida Section Manager Darrell Davis, KT4WX** who starts his term of office today.

Also join me in congratulating **Phil Royce KE4PWE** from the Gainesville Amateur Radio Society (GARS) who has been recently appointed to the communications section at State Emergency Management.

Have a great holiday, and best wishes for a safe and prosperous New Year!
