Statewide Amateur Radio Network "SARNET" Constructed Sites as of November 18, 2019

**YOU MUST BE A FEDERALLY LICENSED AMATEUR
RADIO OPERATOR WITH A CALLSIGN TO USE SARNET**

PLEASE BE ADVISED:

Unauthorized use of SARNET by persons who are not licensed by the United States (US) federal government to operate amateur radio equipment is a direct violation of US federal law under Title 47, Part 97, of the US Code of Federal Regulations.

IN ADDITION, under Florida Statute 877.27, unauthorized use of SARNET resulting in interference to authorized users is illegal and considered a third degree felony, punishable by up to 5 years in jail and up to a \$5,000 fine. If found guilty of a felony in the state of Florida you will lose your right to vote, sit on a jury, hold public office, and own a gun.

LEGEND

Green Tower/Text = Constructed SARNET site
 Black Tower/Text = Proposed site or site under construction
 TX frequency is repeater talk-out. All UHF repeaters have a +5MHz offset for the talk-in repeater receiver

Communications Log (ICS Form 309)

Purpose: The Comm Log records the details of message traffic and is used by either an individual or a Net Control Station (NCS). These logs provide the basic reference from which to extract communications traffic history.

Preparation: The Comm Log is initiated and maintained by the Net Control Station (NCS) or the individual operator (e.g. a field communicator). Completed logs are submitted to the supervisor who forwards them to the Documentation Unit.

Distribution: The Documentation Unit maintains a file of all Comm Logs. All completed original forms MUST be forwarded to the Documentation Unit.

Instructions for completing the form:

Field #	Field Title	Instructions
1	Incident Name / Number	Enter the name and activation number assigned to the incident
2	Operational Period	Enter the time interval for which the form applies. Record the start and end date and time
3	Net / Position Name	For NCSs: Enter the name of the radio net For Others: Enter the name of the position or tactical call
4	Radio Operator	Enter the name and call sign of the radio operator
5	Communications Log	Time: Enter the local time in 24-hour format From: Enter the <i>From</i> call sign or ID and the message number To: Enter the <i>To</i> call sign or ID and the message number Message: Enter the message
6	Prepared By	Enter the name and call sign of the person completing the log
7	Date & Time Prepared	Enter the date and time the form was prepared (24-hour clock)
8	Page numbers	Enter the page number and number of pages

Submit this form to your supervisor at the end of your shift.
