-----------------------------------	-------------------------------	---------------------------------------	-----------------------------------

COVID-19 safety procedures are still in effect.

***Before touching your face
After using the restroom
After blowing your nose, coughing, or sneezing
After handling your mask***

Watch for flash flooding, Tropical storm wind gusts and debris on the roadway.

***Do not cross flood roads. The water may be more profound than I appear.
In the COVID-19 environment, high-density populations or large groups are, particularly at risk. To help protect yourself, your family and to ensure all operators, make sure to practice social distancing.***

Maintain situational awareness. Look up, Look down, Look around

Stay hydrated!!! Time to think = time to drink. Document rest and hydration on 214.

Remain mindful of what is going on around you!

Avoid complacency!!!!
