

NOTICE! Input deadline for the September Issue has been extended!

Due to the number of **QST NFL** contributors directly involved in Emergency Communications for Hurricane Idalia, I am extending the deadline for input for the September issue until **Wednesday, September 6th**. Expect the September issue to be posted online on September 8th.

If you have input, or additional storm-related input, please share it with the section.

73,
Marty Brown, N4GL
Editor, **QST NFL**
