

NFPN Preamble Sept 5, 2024

This is ____ (call) ____.

Does anyone need to use the frequency before I call the Northern Florida Phone Net?

I am the net control for this session of the net. My name is -----

I live in ----(town)----- in ----- County, Florida.

Today's date is -----

This Northern Florida Phone Net is a traffic net and part of the National Traffic System. We handle messages as a free service to the public and for emergency preparedness training.

Do we have a QFN traffic rep?

Do we have any formal or informal traffic for the net?

Are there any bulletins or announcements?

This Northern Florida Phone Net meets daily at 7:30 Eastern, 6:30 Central on this frequency. If you would like to be added to the rosters, please send a radiogram or an email to KF4AC@earthlink.net to get on the rosters. To remain on the roster you should check in to the net at least once a month.

(NOTE: If requested, roster is available at arri-nfl.org/rostersreportsnewsletters/

Found at bottom left page under 'NET ROSTERS' then NFL PHONE NET ROSTER)

After we complete the roll call for Florida then other states are welcome to check as I call them.

We will now begin with the state of Florida. (see roster)

WRAP UP

This is ____ (call) _____ for the Northern Florida Phone Net

This is the end of the roster, at this time we take check-ins from anyone, anywhere, don't have to be a member, please check in with your call phonetically and location.

Is there anything the net can do for anyone before we close?

Thanks to everyone who participated in the net. You are all invited to return at 7:30 Eastern, 6:30 Central, tomorrow evening for our next session. This is ____ (call) _____ now closing the Northern Florida Phone Net at _____ Eastern time and returning the frequency to the stations previously in QSO on this frequency. Many thanks to those stations that stood by while we conducted the net and to those stations that relayed for me.

(note: is there traffic?)

Everyone have a pleasant evening.

73 and good evening. This is _____, the net is now closed and the frequency is returned to regular amateur use.
